RE: Pool Coverage of February 6 Council of State Meeting

Due to the interest in tomorrow's 9:00 a.m. Council of State meeting, the following arrangements have been made for news media.

Since the 5th Floor Commission Room in the Administration Building will not safely accommodate all the news media who want to cover the meeting, the Capital Press Corps is selecting pool reporters for print, radio and television. The Agency for Public Telecommunications will provide a pool feed of audio and video for news media in the Governor's Press Conference Room on the 1st Floor of the Administration Building. News media in both rooms will be able to set up equipment beginning at 8:00 a.m. tomorrow.

Because of limited capacity in the meeting room, seating for members of the general public will be on a first come, first serve basis. Therefore, arrangements have been made for streaming audio of the meeting on the Internet. We appreciate the assistance of the news media in getting this information to the public. The web streaming URL will be at www.ncapt.tv. The Council of State meeting is scheduled to start at 9:00 a.m. Tuesday.
